Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

## User comments

Type of comment: An objection
<p>While I understand there is a need for housing I don't believe this application is the answer to the problem but instead a problem in itself. The existing infrastructure to the area is already at capacity and other developments planned for the area schools, surgeries etc will be pushed. The field are used frequently by walkers and provide a green lung to the ever populated borough we live in. The traffic and pollution this will bring to the area will have a great impact the highways are already very busy and the speed of cars is disturbing. I would urge the council to review and really consider if such a large development will be beneficial to the whole existing community.</p>
