## User comments

Type of comment: An objection
<p>I object to the proposed application on the grounds that the development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p> <p>Health threats to children from pollution due to thousands of extra vehicles using the A653</p> <p>The land acts as an essential zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity - the land needs to be retained as a green lung.</p> <p>Destruction of wildlife habitat.</p> <p>Local schools are operating at capacity with no plans by Kirklees to build new schools.</p> <p>Doctors' surgeries and public amenities would be unable to cope with such a rise in population.</p>
