<p>I object to this application for numerous reasons as outlined below.</p> <p>Health threat from the pollution due to thousands of extra vehicles using the A653.</p> <p>The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity. Losing this space will have a detrimental impact on the landscape.</p> <p>Local schools are operating at capacity with no plans that I can find by Kirklees to build any new schools or expand existing schools.</p> <p>Doctors' surgeries and public amenities would be unable to cope with such a rise in population. There is already limited capacity for existing residents. To bring such large numbers of people into the area will have a detrimental effect on access to healthcare provision.</p> <p>The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p>
