Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

## User comments

Type of comment: An objection
<p>This development will destroy a massive habitat for wildlife. Even leaving the woodlands is not enough, the wildlife relies on the open spaces. The influx of additional traffic, both residential and commercial will also have a detrimental effect on the environment, increasing air pollution in the area.</p> <p>As a teacher there is also the issue of school places as no thought has been given to the pressure on already oversubscribed secondary schools in the area.</p> <p>I commute down the a653 on a regular basis and the traffic is already a huge issue. There is no scope for widening carriageways or altering traffic flow. Even the smallest of roadworks on the dual carriageway has resulted in large tailbacks.</p> <p>I wholeheartedly object to anyone being able to build on a greenbelt area that has been important to agriculture and wildlife for many years.</p>
