<p>The area can not cope with the amount of homes it currently has. This is evidenced by the full schools, overcrowded Dr's offices, the tip that is almost unusable from the ques. The public transport is terrible, roads in a poor condition and the parks which are left uncleaned and full of glass.</p> <p>3000 homes are empty in the area.</p> <p>I argue that service improvements need to be made prior to building anything of this size.</p>
