<p>I object to this planning application.. Leeds road is already a very busy road with lots of cars queueing around peak travel times..</p> <p>the extra traffic will not only make this much much worse but the environment will suffer due to increased emissions!</p> <p>The area is well known to have residents who are retired, who have lived there peacefully for many years, the noise and pollution from the building sites will bring misery to those enjoying their retirement.</p> <p>My parents have lived in this area for 30+ years, they have enjoyed walks in lovely scenery, with lots of wildlife to watch.. this will be a massive disturbance to all creatures and spoil such a beautiful environment..</p> <p>I wholeheartedly object to this planning application.</p>
