What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This development should not go ahead for a number of reasons.</p> <p>We should be looking at developing existing properties or brown belt property, not destroying what little green belt we have left. The environmental impact is unacceptable, with the loss of mature trees, hedgerows and wildlife habitat.</p> <p>The amount of extra traffic which the development will introduce onto already congested roads will have a negative effect, both in terms of pollution for residents and lengthened journey times.</p> <p>A large number of private dwellings will be de-valued as they will no longer have an open aspect, making them less desirable than they are at present.</p> <p>It will also have a negative effect on local natural water levels, as rain water is channelled away via drainage and guttering, rather than being able to enter the land.</p>
