<p>This whole proposed planning application(s) for 1500 homes and businesses is a totally stupid idea because the area cannot cope with any more traffic. We are congested as it is. There is also the Soothill development too and most traffic will be coming onto the A653 as this larger development will be too. The air around here is marked as a risk already with fumes from traffic.</p> <p>i am objecting on grounds of impact on highway and safety and traffic, noise and pollution, loss of green fields, effect on trees and the landscape.</p>
