<p>I would like to object to this plan for a number of reasons -</p> <p>This is one of the few remaining rural plots in the local area.</p> <p>The plan is a threat to children from pollution due to thousands of extra vehicles using the A653</p> <p>The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity.</p> <p>Local schools are operating at capacity with no plans by Kirklees to build new schools.</p> <p>Doctors' surgeries and public amenities would be unable to cope with such a rise in population.</p> <p>The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p>
