Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>Living in gawthorpe this planning application will have a negative impact on the quality of the air due to the increased traffic on the roads. Leeds road and owl lane are already heavily congested at rush hour, this application should it go ahead will increase the traffic on these already very busy roads, increase traffic accidents and increase poor quality air in the surrounding areas.</p> <p>Also although there is a supposed primary school to be built what about secondary school? Manor Croft, woodkirk and Ossett high school are already over subscribed and these are schools where secondary school children may want to be sent.</p> <p>I strongly object to this application I feel it will have a negative impact on health, work life balance and education of children already living in the area.</p>
