<p>The local infrastructure is not capable of coping with the extra strain on resources the additional housing will create</p> <p>The main road is already busy and noisy the additional traffic will be excessive</p> <p>The local motorway junctions are incredibly busy</p> <p>The views of open countryside are going to be lost forever and replaced with pollution from houses and the extra vehicles on the roads</p> <p>The wildlife that will be killed with this development can never be replaced. This development is going to kill off multiple natural habitats</p>
