<p>The proposed area to be developed is a beautiful area of land which is an important home for wildlife, flora and fauna. My family and I have been walking here for a long time. I feel that we should be protecting these areas not building more house and facilities.</p> <p>In addition the Leeds Road area is already congested with traffic during rush hour, noise and air pollution are becoming more unpleasant.</p> <p>In summary we do not need this development in this area.</p>
