<p>This is an area of outstanding natural beauty. I am distraught at the destruction of countryside and wildlife habitat simply for profit. There is an excess of brownfield sites in Kirklees - why are they not being used first? The children of tomorrow deserve to know what green space is! Additionally, the local infrastructure simply cannot support this level of development - the schools are already full! Doctors are full! Try getting a dentist! The traffic and CO2 emmissions on Dewsbury Road have been excessive for years. It's a disgrace.</p>
