Postcode:	

## User comments

Type of comment: An objection
<p>This area is highly populated as it is. We only need road works on Leeds road and the traffic comes to a stand still. The pollution in this area is at high rate now, how will the NHS cope with extra illness, the doctors can't cope now with the local community. There are plenty of empty properties and warehouses in Dewsbury and Batley that could be put to use. Our wildlife will no longer be!!! The woodland and farmland separates the areas also farming gives people jobs- their livelihood!!! Our beautiful landscapes will be gone forever! This open space is gods own land!!!As for the mass of homes proposed to be built all these affordable houses are highly populated with families. ie children!!!- u seem to have catered for young children but what happens to them when they grow up to secondary school ? I will tell you!!!- out of area because all the local secondary schools are over subscribed as it is!!!! And upon leaving school what jobs are there?? This area and it's residents do not want anymore building developments!!!</p>
