<p>I strongly object to this development. The increase in traffic on the A653 will create even more pollution on this already polluted road. I use the A653 daily, and getting across the dual carriageway is a near impossibility some days, yet you are proposing at least 3000 more vehicles use it - most homes have 2 or more cars. The proposals relating to the ancient woodland are a joke. The church commissioners can't even look after the tree belt to the rear of my property, let alone manage two large areas of ancient woodland. I strongly object to the development</p>
