<p>We have already had a large amount of houses recently built at Amberwood Chase which is in the same area, how many more new houses do we need. The amount of extra traffic on the already extremely busy Leeds Road, Owl Lane, Heybeck Lane and Soothill Lane will add massive amounts of further disruption to commutes, add much more noise and emissions, not to mention making it more dangerous around Shaw Cross School for children. The area to be used for building is a beautiful green area with trees and fields, used by many for walking. We are rapidly losing all our green spaces in this area which is totally unacceptable. I strongly object to this plan.</p>
