Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I wish to object to this development of 1300 + houses. The proposal has many flaws and the ones I object to are that it is proposed to build on land adjacent to owl lane Gawthorpe ossett along with the destruction of land having woods and fields which as we all know are vital to the health and benefit of the population. In doing so this proposal also goes against all that we hold as values for today's living space. With an increase in pollution from increased traffic effecting the air our children and we breath.</p> <p>Removal of agricultural land thereby decreasing potential food production for the future</p> <p>If houses are allowed whilst falling within Kirklees boundaries the full impact will be on Wakefield and Leeds residents .</p> <p>When visiting the open evening at woodkirk club those there did not seem to have a grasp on the area at all, when i asked about a traffic model report one had not been done.If this is allowed then it shows that Kirklees council is only interested in profit from the increase in council tax and not the welfare and duty of care to those people in the surrounding are. I See that the MP for Dewsbury has also lodges an objection.</p> <p>I would urge the Planning committee to reject this proposal as long term it will cause untold harm to people in the surrounding area.</p>
