<p>URGENT APPEAL</p> <p>Reasons that I object -</p> <p>Highways surveys have been taken during the pandemic/lockdown/post lockdown period giving false traffic readings.</p> <p>Site lines on Chidswell lane are not enough. There will be bad accidents constantly. Proposed no entry, no left turn, no right turn signs will be ignored.</p> <p>Chidswell Lane CANNOT TAKE MORE TRAFFIC not only is it too small (you cannot destroy hundreds of years of foliage and wildlife just to make it bigger) but it gets blocked if there is an accident on Owl Lane and is used as a cut through currently. It's ludicrous to think this is going to work!</p> <p>Health threats to children from pollution due to thousands of extra vehicles using the A653</p> <p>The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity.</p> <p>Local schools are operating at capacity with no plans by Kirklees to build new schools.</p> <p>Doctors' surgeries and public amenities would be unable to cope with such a rise in population.</p> <p>The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p> <p>This is about greed and profit at any cost which is entirely wrong. Greed is the route of all evil and you know it.</p>
