Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This has big impact on the surrounding areas and there is no need for this to be done in this area now. As it is hard times, there is no need for this anyway. It is just people trying to make more money out of this which is shambolic. It is a beautiful area where people go walking and is lovely and peaceful and we need areas like this for our mindfulness. Please do not take this away there is enough pollution in the area as it is and we do not need more, which would make more, plus would affect all the wonderful wildlife that is living in this area. We need green areas to make us feel wonderful about ourselves especially in the times that are upon us. We do not need further noise and disturbance, we do no need churches making more profits out of these areas, they do not need it. There are enough houses around for people, we do not need further buildings put up. Plus it would make the roads worse especially the lovely little lane where everyone goes walking - it would make it a nightmare. Money should be spent on things that are actually needed and this is not it. This would have a big effect on neighbouring properties and make the flow of cars worse making health and safety much worse. We are trying to make things better for the planet not make it worse.</p>
