Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I strongly object to the building of so many houses and offices. We have a small amount of green space which needs to be nurtured and kept as it is for the wildlife and surrounding people to enjoy. Such a vast amount of newly built infrastructure will add to the already chaotic and dangerous roads which are surrounding it. Leeds Road is already a nightmare, this will lead to more accidents and an increase in pollution. If lockdown has taught us anything, it is that the little thing in life are important such as going for a nice walk/run to clear the mind. The areas surrounding are already very built up and doesn't need such an increase in homes which will put a massive strain on the surrounding areas.</p> <ul style="list-style-type: none">- increased pollution- increased traffic- increased level of stress and anxiety of those in the surrounding area due to demands of having a new built estate- increased death and destruction of natural habitats of wildlife- strain on surrounding area, due to higher population- decrease in green space which affects air quality- decrease in natural beauty of the area <p>Please think hard, and reject the proposal</p>
