## User comments

Type of comment: An objection
<p>Too many areas of beauty are being lost. These areas are as important as housing and businesses.</p> <p>Too many derilict areas desperate for regeneration yet the plans are to dessimate an area that all can enjoy.</p> <p>More houses mean more traffic and pollution, the need for more school places. Fewer areas for people to enjoy.</p> <p>We should be protecting these areas not bulldozing them.</p>
