Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This beautiful green field land is used for farming and is a great source of wellbeing to the local community. It is a fabulous natural environment, ecosystem and habitat to local wildlife, including bats.</p> <p>The roads are all ready congested, traffic is at a standstill and queuing regularly on Leeds Road to and from Dewsbury at peak times.</p> <p>Even if there is a primary school the surrounding high schools are already over subscribed. There is insufficient funding for supplying social care and services to the current population of this area without this vast additional housing project. The GP surgeries are full and currently have waiting lists for those wanting to register. This development will destroy our countryside, the traffic volume is already high and the traffic noise and air pollution would increase and affect the health of residents in the area.</p> <p>Brown field and derelict sites should be used before destroying local green field and areas of beauty and wildlife.</p>
