<p>Owl Lane has an Industrial Estate built on it a large housing development (Amber Chase). A Rugby club which is hosting the Bradford Bulls at the moment plus a very large car boot sale in normal circumstances is every Sunday in summer. If this very large development goes ahead it will spoil what is left of the character of the area with lots of noise and disturbance. It will have a big impact on the highway safety and volume of traffic and the fumes will be horrendous. Owl Lane can very easily become gridlocked now so what about the people who have to live this?</p>
