## User comments

Type of comment: An objection
<p>Why do councils think its ok to take our green space. Once gone cannot be replaced. Families enjoy this amazing space able to unwind going for walks appreciating the wildlife. Do the RIGHT thing STOP this building project. TARGETS mean nothing.Our natural open space means everything. Too much congested traffic already on this area Depreciation in value of existing residential property. Already many empty business properties on the area could be made onto housing.</p>
