<p>I want to reject the planning permission of houses on the fields behind Heybeck lane. We are losing so much fields and open spaces for house and the area is already home to wildlife and public walkways. My currently enjoys the fields so he can run around and be free. If housing is built on the fields we will lose that space for animals and people to walk on the open space. The amount of traffic and air pollution that will be added to the area is too big. The speed cars go down Heybeck lane at the minute is so bad adding more cars down it isn't going to be good.</p>
