<p>Concern over the health threat to children from pollution due to thousands of extra vehicles using the A653</p> <p>The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity.</p> <p>Local schools, doctors and public services are oversubscribed already. What is the plan to cope with the extra people that will need this services??</p> <p>The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p>
