<p>My boys walk to school along Leeds Road and the increase in traffic will be horrendous causing increased risks from pollution and road accidents. The traffic on the road already sits still queuing from 3.30pm until about 6pm on weekdays to get through the lights at Shaw Cross so goodness knows what it will be like adding in all the commuters from the planned new houses and school pick ups and drop offs, trapping us in our driveways. The fields provide us with clean open space to walk in with our family and pets.</p>
