<p>I am concerned about the volume of traffic this development will add to already overloaded roads. Chidswell lane and Windsor Road are already used as a cut through to avoid traffic lights at Leeds Road and the speed bumps/ramps are no deterrent to speeding cars. Parking is getting more problematic in the area as it is without adding more houses. I am also concerned about the loss of the greenbelt and the loss of some of the best views in Kirklees if housing and business development replace the green fields and wild life.</p>
