<p>If this planning go ahead it will have health conditions causing more pollution to the air due to more houses and people also noise pollution.</p> <p>There isn't enough room in the schools and with everything going on with the pandemic the schools are already at full capacity.</p> <p>There is a beautiful landscape for keeping people health and walking! Also trees are needed to keep us humans alive!!</p> <p>There will be more traffic and Leeds road is already dangerous as it is!</p> <p>There are plenty of houses which are empty that could be renovated in the surrounding areas</p>
