<p>This area is already overpopulated with not enough schools, doctors, dentists, etc. The road surfaces damaged from heavy commercial vehicles and diesel pollution from exhausts. less and less green fields and open spaces for people to enjoy, less wildlife for our children to appreciate. I am old enough to remember wildlife in abundance in this area and it would be a crying shame to see it disappear completely. We need more green fields and open spaces not less. Please don't let this happen to our precious countryside.</p>
