Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I have already commented on the other proposed application re 181homes & engineering.</p> <p>This is absolutely ridiculous taking all our green space away as we are now being told by government to get out & get fit in the fresh air. Look at all the nature that has benefited from less cars.</p> <p>The fields & open space have helped keep people sane through lockdown too.</p> <p>If these proposals are passed there will no longer be the fresh air as it is now but more exhaust fumes with all the extra traffic. As it is the infrastructure cannot cope with the amount of traffic now especially if there has been accidents on the M1 & M62. With all the extra houses there will be no school places as most are at capacity now. Doctors & Dental surgeries are struggling too.</p> <p>I understand the need for more housing but why don't the council look at using some brown sites. Also look at the green space around Huddersfield!!</p>
