Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>The noise and pollution created by the development will have a negative impact on ours and our childrens health and wellbeing.</p> <p>The traffic along the routes surrounding the objectionable development is already congested and will result in further delays, pollution and use of back roads as a bypasses.</p> <p>The fields are our only escape into nature and they contain many trails and footpaths we use as a family for exercise and family bonding.</p> <p>This has always been greenbelt and has been used by our family for generations. To see it destroyed will be heartbreaking and a sad continuation of the downward spiral of the area due to overdevelopment. Especially when there are so many overgrown and abandoned plots that already have the basic infrastructure in place (previously bought and paid for with our taxes) that if developed individually would spread the strain across the area and not make a further bottle neck at the edge of the urban sprawl of the major towns that it is on the edges of.</p>
