<p>I object with the following concerns:</p> <ol style="list-style-type: none">1) It will have a huge effect on greenbelt especially with the current climate crisis ongoing.2) It will create outrageous amounts of traffic on Leeds road due to this being a main road from Leeds through to Huddersfield and will create masses of noise pollution for all the residents in the area.3) It is a huge safety concern for local residents who enjoy to walk around the area with the amount of traffic added.4) Planning for this has been ongoing for a very long time, there is a reason why it is constantly being delayed. The area does not need this.
