User comments

Type of comment: An objection
I have 2 children who have both struggled for a place in local schools. This will only make the problem worse. I also have problems getting very much needed doctors and hospital appointments. I dont see how putting more housing in our area will make that any better. It simply wont. It will make it much worse. It is also one of the very few green areaa left around our parts. We deserve this space, our children deserve it too.
