Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

## User comments

Type of comment: An objection
<p>Enough is enough. The area cannot support any more traffic, especially from a monstrosity like this. They'll be no more borders between Shaw Cross, Gawthorpe, West Ardsley and other surrounding areas. The air pollution in the area will skyrocket due to the excessive traffic this will bring in. Noise pollution will increase as will the likelihood of road traffic accidents as people try to beat any new traffic measures put in place. Not to mention the destruction to local wildlife when all that green space gets ripped up and concreted over. The local infrastructure cannot cope with such a huge influx of new people and when it all does prove to be a mistake building this thing there'll b no going back because it's been destroyed forever. A complete waste of such a beautiful piece of land that benefits many and has done so even more during this pandemic when even more people took to walking the Leeds Country Way routes that go through this land to get exercise and help with the mental stresses of lock-down.</p>
