<p>This proposed project will have a devastating effect on the surrounding areas for the following reasons</p> <ol style="list-style-type: none"><li>1. Lack of facilities to cope with the increased population. There are not enough schools, doctor surgeries, youth clubs now. There are not any places in local schools in West Ardsley now .</li><li>2. The additional traffic will be disastrous. The Babes in Wood junction will be queuing back to Dewsbury and to the M62 at peak times. It will also be solid down to Batley Hick Lane which is chaotic now.</li><li>3. There is a planned development in West Ardsley which will aggravate the existing lack of resources in the area .</li></ol>
