Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>I would like to object to the building on the site in shaw cross adjacent to leeds road. I have lived in Shaw Cross all my life. From a young age I have spent time in those fields and woods as it's the only peaceful place left around here. It's done wonders for my mental health to be able to walk in such a beautiful, peacuful place and sit by the stream listening to nothing but the water and the birds.</p> <p>For many people and myself it's a place where they can allow their dogs to run free without the worry of a main road or cars near by.</p> <p>The green belt also has great health benefits, being able to walk away from roads and away from pollution. With the plans in place there will be none of that. Only noise pollution and waste, especially with all the lorries and cars that will be travelling through the area.</p> <p>And what about the wildlife that lives there? It's a perfect home for many wildlife we rarely see. With no other areas local for them to move to, what's going to happen to them?</p> <p>In my opinion, and probably quite a few others, Shaw Cross is one of the last nice looking places in Dewsbury and it's because of the beautiful green belt we have. We shouldn't be spoiling that by destroying it so that a few people can gain a few extra pounds. Profits shouldn't be put first.</p> <p>An estate was recently built in Shaw Cross to create more homes next to the Dewsbury Rams stadium, why create more, on better looking scenery and when does it stop? When there are no green belts left? When there are no woods left? When the wildlife has gone extinct due to having no habitat to live in? Or when the people with the money have decided they've made enough?</p> <p>So please, from the bottom of my heart, please save our green belt.</p>
