Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>Owl Lane and Leeds Road are always congested during rush hour and even more so when there has been an accident on the M1 and M62.</p> <p>Local schools, dentists, doctors surgeries and hospitals are overstretched and would not be able to cope with the extra population estimated at 3,249.</p> <p>There are already empty offices and commercial buildings, we know it costs more to utilise them, but it would be worth it.</p> <p>There are not enough sports facilities at the moment.</p> <p>Over the last 35 years I have walked the area with various dogs, as have local and not so local people, building on this site would be the loss of a wonderful natural amenity.</p> <p>During Covid-19 lock down it was invaluable for exercise and mental wellbeing.</p> <p>I understand that Natural England have requested an Agricultural Land Classification soil assessment, and if it's classed as high quality agricultural land, the application would have to be reconsidered.</p> <p>Sight of the Coal Mining Risk Assessment would be useful.</p>
