<p>The road system around Shaw Cross is already overloaded at peak times. It can be almost impossible to get out of ~Gawthorpe onto Owl Lane as it stands</p> <p>The footpaths and fields are a well used local amenity which would be lost and the area is already overdeveloped in recent years.</p> <p>Infra structure such as Health facilities stores and Schools will be inadequate for the increased population.</p> <p>Whilst not totally opposed to some development I feel the scale of this is totally unacceptable.</p> <p>This development has already been rejected once</p> <p>No assesment of Coal mining risk or asset protection bhas yet been submitted</p>
