<p>I am so worried about this planning application. It's going to ruin the area with excess traffic and all the beautiful countryside and wildlife gone forever. We have schools ,we have shops . The people who have bought homes surely have a right to object when the area is going to be so drastically changed. Leeds road is already busy and traffic is fast . More traffic is the last thing we need. We have very little countryside left. Please don't ruin our landscape</p>
