<p>No no no the existing road structure cannot support the proposed building. My property is only within ossett by a couple of hundred meters but will effect me by air and noise pollution and probably result in me selling my house at none refundable loss.</p> <p>Chidswell la opposite the water tower is a single track road with the odd passing place. After all the camera road counts in covid and school holiday times I have never seen a camera or strip across the road from Dewsbury to ossett. Is there a record of this and if not why.</p>
