<p>I went to North Ossett school and lived in Gawthorpe majority of my life and still visit my family every week in Gawthorpe. Our nearby countryside is a beautiful place and a nice area to hike and witness local wildlife. Myself, family and friends live nearby, and use the area to walk our families and pets. There is no need to spoil our area, and would spoil the local area and wildlife. I hope they finally strap this outrageous and harmful ambition. The people who are pushing this idea do not appreciate or care about our local area.</p>
