<p>i use this road to travel too and from work. The traffic at 07.45 and 5.00pm is absolutely shocking. It takes nearly half an hour to come over from Batley to the roundabout near Dewsbury Rams ground with traffic built up all the way through the traffic lights. Then once on Owl Lane its another hour to get to Kingsway in Ossett. If these plans are approved it will have an increased volume of traffic which will cause even more delays</p>
