What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>The loss of an area of natural beauty, the wildlife within, the impact on the environment and local residents who rely on the open spaces will be detrimental to an area already struggling due to the impact of Covid. In addition recent development of nearby housing estates has already resulted in local roads becoming overly congested often to the point of "gridlock" at peak times and dangerous for the young and elderly at other times. The local high schools / academies are already over subscribed and the provision of further houses and a primary school will only make this matter worse, the result will be children having to travel further to school therefore making the traffic and the impact on the environment worse than it already is. The proposals do not address any of the above</p>
