<p>As a Kirklees resident for most of my life, Im sad to see our green areas given over for development, for example white lee. Whay are we not taking a leaf out of Binks and converting or building on what we already have.</p> <p>Pollution increases, people get sicker the damage to 5he wild life and trees is irreparable . Please dont build on green land. People need nature now more than ever for stress relief. Please think long twrm. A quick financial fix now isnt worth the cost long term. Im not as eloquent as I would like but make a counrry park rather than grey buildings. Many thanks.</p>
