Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>Having returned from another walk in the proposed building site I simply can not believe you are even Considering destroying this beautiful area. The number of people who use the area is large, the area is simply beautiful I d invite you all to Come and walk round the fields and woods. There are owls I see on a night eating the field mouse where will these, all ready decreasing creatures go once you ve destroyed their home. I have concerns over the increased traffic volume on an existing busy and loud network. The air pollution will be worst increasing health risks. The health care providers can not cope presently how will they will the proposed increase in numbers. Also the school system, places are limited already, but what about high school Age? The schools are presently busting at capacity yet you offer no proposals for the older children where will they be placed. Please look elsewhere. This area is a beautiful nature area which in Thai authority is lacking. No greenways will be left. Then what?</p> <p>PleAse do No build here. Protect the countryside for everyone's health in the long run. The area aids better air quail try, mental health destroying it will lead to increased risk of flood as where wil the water go? Harmingthe eco habitat. Busier roads with increased noise volume and worst air quality. Please take time in the area and you Will all see why it is a mistake. Once it's gone it's gone foreve.</p>
