What is the application for?:	Outline planning application for demolition of existing dwellings and developmen
Address of the site or building:	Land east of, Leeds Road, Chidswell, Shaw Cross, Dewsbury
Postcode:	

User comments

Type of comment: An objection
<p>This is an unwelcome development on the following grounds:</p> <p>Environmental: the additional traffic pollution will present multiple health risks and costs to an already stretched healthcare system.</p> <p>Health: current health benefits of the area being an open space with natural wildlife will be lost to a housing development for which there is no evidence of demand, and lacks adequate education and health facilities. The character of the area will be destroyed with loss of public amenity of the natural environment.</p> <p>Economic: the additional service costs of refuse, road and transport infrastructure in this semi-rural outpost, if not conducted fully would create a serious detrimental effect on our living conditions and quality of life.</p> <p>I do not believe this has been properly costed and researched and I do not want this development.</p>
