<p>This application should be rejected on the grounds that there are Health threats to children from pollution due to thousands of extra vehicles using the A653</p> <p>The land acts as a zero carbon emission "green lung" separating Kirklees, Wakefield and Leeds - building on Chidswell will create massive urban sprawl with communities losing their identity.</p> <p>Local schools are operating at capacity with no plans by Kirklees to build new schools.</p> <p>Doctors' surgeries and public amenities would be unable to cope with such a rise in population.</p> <p>The development is contrary to the Government's National Planning Policy Framework which supports health, social and cultural wellbeing.</p> <p>The traffic survey is currently being conducted during a pandemic situation and does not give a true representation of the number of vehicles using the surrounding areas.</p> <p>The link road from Leeds Road To Owl Lane will create a race track of vehicles using this as a shortcut and create additional traffic on Owl Lane impacting the residents of Gawthorpe</p>
