<p>There is congestion already on the A653 Shawcross area, Chidswell Lane and Owl Lane for the last 15-20 years to my knowing causing pollution in and around the area, so building more houses and industrial premises around Shawcross is complete madness.</p> <p>Local schools will not be able to manage extra pupils, Doctors surgeries are already overwhelmed with too many patients trying to make appointments.</p> <p>I strongly believe the proposed plans would have a severe adverse effect on our local community.</p>
