User comments

Type of comment: An objection
<p>I strongly disagree with this planning application it is huge and the infrastructure is not capable of sustaining all these houses the impact on wildlife and the countryside would be a disaster.</p> <p>One of the proposed junctions T005 comes out onto Chidswell Lane this road can't cope with the amount of traffic now let alone if this planning application goes through the amount of pollution and noise from the increased volume will be a massive .</p> <p>There is little enough green spaces around here where people can enjoy a walk and enjoy the wildlife there are lots more suitable brown field sites around the area that are just sat there derelict use them not are lovely green fields</p>
